SUBJECT: COUNTY CONTRACTORS HIRING OF GAIN PARTICIPANTS (BOARD
ORDER #62, DATED AUGUST 12, 1997)

This is to provide you with an update to the report on the number of GAIN participants hired by County Contractors.

On August 12, 1997, your Board instructed the Department of Public Social Services to provide quarterly reports regarding County Contractors who are working with the Greater Avenues for Independence (GAIN) program. This is the twenty-fifth report.

Our February report reflected a cumulative unduplicated hiring count of 50,324 participants. Of this total, 1,981 were for the period of October 2003 through December 2003.

The current report reflects 1,720 unduplicated hires for the period of January through March 2004, bringing the cumulative count to 52,044 since the inception of GAIN. Attached is the hiring count breakout by month.

To ensure the reported number of hires is not duplicated for those GAIN participants hired for a subsequent job by the same or different company, GEARS employer data is matched to the Countywide Accounting and Purchasing System (CAPS). A manual count is then completed to identify and back out any duplicated hires.

The match of CAPS is made against business names and telephone numbers. While the match may not be totally comprehensive, it gives an excellent indication of hiring practices of County Contractors.
